Overview of the business

Introduction

Myers La Roche are delighted to offer for sale a fantastic opportunity to acquire a community practice in a large village.

In addition to optical services the practice offers audiology including hearing tests and ear wax suction and podiatry services. Home visits are also arranged for patients unable to attend the practice.

The premises currently provide optical services on the ground floor and audiology/podiatry on the 1st floor. The second floor could be utilised for owner accommodation or storage. An on-site glazing lab allows a quicker turnaround for patients. **Offers for the freehold will be considered.**

Location

Centrally located in a relatively affluent village this practice occupies a position just off the main through road.

Conveniently, parking for 6 cars is available behind the practice. There is a Bus stop close to the practice and a railway station just a short walk away. An additional car park is just a few minutes' walk.

Potential

There is significant scope for the audiology and podiatry aspects of the business to grow with a marketing strategy in place. Due to the synergy of the different services offered, growth in this area is expected to also positively impact the optical side and vice versa.

There is also potential to perform more eye examinations over the week.

The introduction of an Eyeplan and /or CL scheme would be a great way to retain patients and provide a steady income stream.

The practice currently has a few designer frames leaving it open for a new owner to add to the range currently offered to patients.

Competition

There are no other optical practices in the locality.

Reason for sale

The vendor wishes to sell due to personal reasons

Price Guide

Offers over **£85,000** are invited for the benefit of the goodwill (including unrestrictive use of the trading name), fixtures, fittings and equipment.

Stock is to be purchased separately at valuation upon completion of the sale.

What to do next

To request more information or to arrange a viewing please contact David Hubble on 0161 929 8389 or dhubble@myerslartoche.co.uk. All offers must be made in writing to David Hubble at Myers La Roche and must be kept confidential.
